

U. N. IS ASKED
TO TAKE OVER
PALESTINE RULE

Creation of Military Force,
Backed by Major Powers,
Sought to Protect Holy Land

LAKE SUCCESS, Oct. 10 (AP)—The United Nations assembly was urged today to meet the new Palestine crisis by taking over administration of the Holy Land from Britain and creating a small-nation military force to protect its inhabitants from "aggression."

The proposed force would be armed and financed by the five big powers, including the United States and Soviet Russia. Neither has yet spoken its policy on Palestine but the U. S. expected to give its declaration tomorrow forenoon.

The proposal, submitted by Guatemala, was the first formal action in the assembly's 57-nation Palestine committee following the Arab-reported movement of seven-nation Arab league forces toward the Palestine borders.

It was coupled with a bitter attack on the exiled mufti of Jerusalem, who joined in yesterday's decision by the Arab league council meeting in Lebanon to force a ring of steel about Palestine.

The U. S. delegation announced that Herschel V. Johnson, a veteran of the Security Council bouts with Russia, would give this country's long-delayed policy statement on the Palestine issue tomorrow.

Russia remained silent as to when she would speak. Britain presented the Palestine committee with a resolution calling upon all U. N. members to accept a "fair share" of European displaced persons as immigrants to relieve their plight and help solve the Palestine problem.

This measure pointed out that the 11-nation U. N. Special Committee on Palestine, which visited the Holy Land and Europe the past summer, recommended that the assembly deal on an international basis with the problem of displaced Jews as an "extremely urgent" matter.

The British move would call on all U. N. members to co-operate with the International Refugee organization for resettlement of displaced persons.

In other important U. N. action today:

1. The United States, Russia, Britain and France agreed to leave the dead-endlocked issue of a government for Trieste up to Italy and Yugoslavia for decision. The agreement will be referred to the Security Council for approval.

2. Disregarding the Soviet bloc's continuing boycott, the U. N. assembly's political committee voted 11 countries to membership on a Balkan "watch-dog" commission. It left places open for Russia and Poland in the event they should reconsider their announced refusal to serve. Countries chosen for representation on the watch over Greece's frontiers include the

Columbus Day
To Pass Quietly

Columbus Day will pass quietly except for the closing of Pottstown's banks and the public library Monday, and a special meeting of Maria SS Assunta lodge tomorrow morning.

The holiday commemorating the 455th anniversary of Columbus' landing in the Bahamas falls on Sunday this year, but will be observed by banks and libraries on Monday. Their lead will not be followed by schools, the post office or Federal agencies here, who will consider Monday only as another week day.

Officers of Father Bally Council 1102, Knights of Columbus, said their group is planning no special observance, and will not be sending representatives to the annual Knights of Columbus banquet in Philadelphia.

Members of Maria SS Assunta lodge will gather in their lodge, 371 Cherry street, for a meeting which will be addressed by Alfonso Saint Angelo, of Norristown. It was announced by Jerry Ottaviano, lodge president.

Woman Gives Birth
While Hypnotized

BALTIMORE, Oct. 10 (AP)—Birth of a baby boy to a 22-year-old woman under hypnosis was confirmed today by Johns Hopkins hospital officials, who said it was the first planned clinical use of hypnosis in an obstetrical case at Hopkins.

No anaesthetics were used except a small amount of novocaine immediately before delivery, they added.

The woman, Mrs. Margaret Krebs Petrik, a graduate of the Johns Hopkins nursing school, gave birth to a five-pound, 10-ounce baby after being hypnotized by Dr. Harold Rosen, Hopkins psychiatrist.

"Hypnosis is only one of a number of agents and procedures that can be used in obstetrics to lessen pain and anxiety," Rosen said. "It should be carefully limited to suitable cases."

The baby was born Wednesday night.

Italy Due to Get
Gold Seized by
German Troops

WASHINGTON, Oct. 10 (AP)—A store of gold worth \$28,000,000, captured by the U. S. Fifth Army corps from Germans who had stolen it from the bank of Italy, was made available tonight to the Italian government.

The gold cache was found in May of 1945 at Portofino, Italy, where the retreating Germans had hidden it.

Great Britain and the United States agreed tonight to turn it over to the non-Communist Italian government, providing it with additional assets needed to continue purchases of wheat and fuel during the winter.

A State department announcement said Allied military authorities in Italy had been instructed to transfer the gold immediately.

The Italian government can either use this gold to furnish additional backing for its currency or follow Britain's example and sell it to the United States government for \$35 an ounce.

Michael McDermott, State department press officer, told a news conference the gold transfer should help Italy in its battle to control inflation at home and continue purchases abroad.

Italy stands to receive an additional amount of gold estimated at around \$30,000,000 to \$35,000,000 from the tri-partite gold commission which sits in Brussels. This group will divide up the gold which the Nazis seized from conquered countries and brought to Germany for safe keeping.

Forces of Arab World Reported
Mustering Along Palestine Border

BEIRUT, Lebanon, Oct. 10 (AP)—Arab sources said tonight the armed forces of the Arab world, which is unofficially estimated to be able to muster 200,000 to 250,000 regulars, were concentrating on the Palestine frontiers to cordon off "terrorist organizations and Zionist forces."

Other official quarters here and in Palestine denied, however, they had been unable to detect any unusual troop movements.

While troop maneuvers were reported in progress to implement a decision of the Arab league of seven nations, the league council went back into session tonight to plan the next "military precautionary actions against Zionism."

Riad Bey El Solh, premier of Lebanon, told reporters "our troops have moved to the frontier," and Ahmad Sherabi, defense minister of Syria, said in Damascus that Syrian troops already were quartered on Palestine's northeastern border as a precaution against possible "terrorist movements and Zionist espionage." Syrian sources said important military maneuvers of the Syrian army were to take place tomorrow along the border.

The United States military attaches office here declared, however, that it had no reports of extensive troop movements, indicating that the Lebanese concentrations possibly were the shifting of forces already in the south.

In Jerusalem the Palestine government information office declared in a statement: "In view of persistent rumors of Arab troop concentrations on the Palestine northern and southern borders we are asked

GRAIN SHORTAGE
RELIEF SLIGHT,
REPORT SHOWS

Corn Crop Improves;
Seven GOP Senators Back
Food Saving Campaign

WASHINGTON, Oct. 10 (AP)—A government crop report today indicated little if any relief in the grain shortage and no change in President Truman's "self-denial" drive for Americans.

The Agriculture department report said the short 1947 corn crop improved 54,761,000 bushels in September. But officials later pointed out that the report contained disappointing figures in other respects.

These showed that stocks of old-crop corn on farms may be some 41,000,000 bushels smaller than expected. Also, the record-breaking wheat crop prospects declined about 2,000,000 bushels during September, from 1,408,602,000 to 1,406,761,000.

The save-food-for-Europe campaign gained strength as a group of Republican senators led by Senator Brewster (R-Me) pledged their co-operation. But they also asked the question: Are poultryless and eggless Thursdays necessary?

Soon afterward Chairman Charles Luckman of the Citizens' food committee informed reporters: The program will not be "modified in any way." And Secretary of Agriculture Anderson asserted there must be no letdown in the drive.

New signs that the liquor industry would yield to Luckman's request for an outright 60-day shutdown came tonight. The Food committee reported that five distillers, who were not named, wired their willingness to comply during the day, in addition to 18 previously pledged.

A vigorous protest, however, was filed by J. Englehard, president of the Distilled Spirits Institute and of Glenmore Distilleries company, Louisville, KY. He agreed to close his plants, if ordered, but said the nationwide move would bring "serious unemployment."

The closure will save little grain Englehard added, because livestock now fed on distillery by-products "will have to be fed on the whole grain."

The Agriculture department's monthly crop forecast dashed hopes that a 100,000,000-bushel improvement in the corn crop had occurred in September. Instead, it strengthened the Sept. 1 estimate of 2,403,913,000 bushels.

It was the past Spring's cold, wet planting season and the Summer's drought that so damaged the corn crop as to bring on the overall grain shortage and the Truman-Luckman campaign for food-saving.

The union's own "no" vote against the report, cast by Reid Robinson, representative of the Mine, Mill and Smelters, blocked any action. It was the only "no" vote cast on the question of accepting the report.

Since the executive board had no authority to enforce its decision, and the union concerned would not approve the recommendation, Murray told reporters, "The dispute is ended" and won't come before the convention, which starts here Monday.

If the report had come before the convention, a bitter debate might have taken place.

The action was another sign that CIO President Philip Murray was succeeding in his annual task of settling arguments behind closed doors so that the CIO convention can be conducted with peace and unity.

The executive board also took these actions:

Pipe Products Company
Strike Continues Here

A strike of 15 employees of the Pottstown Pipe Products corporation went into its second day yesterday.

"I still have received no word of what the strike is about," Victor DeJourné, plant manager, said as he announced that the workers had not returned to their jobs.

According to union officials, the strike was called because of "absent management," refusal to bargain with the union to which the men have belonged for five years, and for a wage adjustment.

The workers failed to report for work at 7 o'clock Thursday morning and have remained out since.

Ralph Thomas, a Pottsonian working in the auditor general's office in Harrisburg, also will come to the rally, MacMullen said.

Weather conditions permitting, the new traffic signal at High and Evans streets will be in position and ready for operation by Saturday, Oct. 18, according to Contractor John W. Snyder.

Snyder said when the job at High and Evans streets is completed he will start on the signal system to be erected at High and Adams streets.

Governor Praises Mercury's Safety Campaign

The award, made in the governor's office in Harrisburg, was accepted by Shandy Hill (right), general manager of The Mercury, who evolved the paper's safety campaign.

DISPUTE IN CIO
MARKED CLOSED

Smelter Workers Bar
Action on Plan to Pick
New Leader for Union

BOSTON, Oct. 10 (AP)—One of the bitterest internal squabbles in the CIO — between the Mine, Mill and Smelter Workers and the Shipbuilding Workers — was officially marked "ended" today with nothing done about the leadership of the former union for the present.

It was a Mine, Mill and Smelter representative's "no" vote that blocked action.

For the second time in six months, the 52-man CIO executive board charged officers of Mine, Mill and Smelter with having allowed Communist influence to interfere with union affairs.

The board approved a report demanding that these officers, including President Maurice Travis, step aside and let a CIO-appointed administrator govern the union until its internal dissension was healed.

The union's own "no" vote against the report, cast by Reid Robinson, representative of the Mine, Mill and Smelters, blocked any action. It was the only "no" vote cast on the question of accepting the report.

Since the executive board had no authority to enforce its decision, and the union concerned would not approve the recommendation, Murray told reporters, "The dispute is ended" and won't come before the convention, which starts here Monday.

Fall's Splendor Sparkles
As Weather Stays Ideal

For those who have stayed indoors, failing to enjoy the wonders of fine October weather, here is a reminder that this month is one-third over, and that it won't be long before all the variegated splendor of early Fall disappears under gray skies and the skeletons of denuded trees.

The past week was mostly sunny and warm, with the mild temperatures in the mid 60s yesterday typifying the kind of weather Pottstown has enjoyed, suitable for football games, rides through the countryside, or just a walk within a mile or two of town.

Although today and tomorrow will be partly cloudy, the mercury will remain at a comfortable level, says the weatherman, while generally fair and pleasant weather is due to continue through the early part of next week.

Local Marine Vet's Body Returned
From Kwajalein for Reburial Here

Pfc. Paul Olock, United States Marine Corps Reserve, the son of Mrs. John Olock, 171 North Franklin street, will be the first of Pottstown's war dead to be returned here for reburial.

His body arrived in San Francisco from Hawaii yesterday aboard the United States Army transport Honda Knot with the first shipment of war dead from military cemeteries in the Pacific.

Upon the arrival of the casket here, under a military escort, Pottstown veteran organizations will join in observing the ceremonies accorded the war dead.

A Solemn High Requiem Mass will be celebrated for Olock by the Rev. John D. Tapich, pastor, in St. John's Greek Catholic church.

It will be followed by a full military funeral conducted by the Veterans of Foreign Wars, post 780, with representatives from the American Legion, the Amvets, the Marine Corps league, and the Jewish War Veterans in attendance. Interment will be made in St. John's Greek Catholic cemetery.

Olock was killed on Kwajalein Atoll, in the Marshall Islands, on Feb. 7, 1944. It was his second day ashore on the beach-head.

The 21-year-old Marine went ashore with the first wave of the Fourth Marine division. He was in Company B, First Battalion, of the 24th Marines.

Prior to entering the service,

Olock was employed at the local plant of the Bethlehem Steel company. He attended the

ball, basketball and football squads. His classmates and sports fans knew him by the nickname "Muzzy."

He won varsity football letters as a halfback at Pottstown High in 1939 and 1940. He also was awarded a varsity baseball letter in 1940.

Olock scored two touchdowns to help the Trojan gridlers beat North Coventry High school, 12-8, during the 1940 campaign. He was a Junior varsity performer during the 1939-1940 Trojan basketball season.

Enlisting in the Marine Corps on Oct. 9, 1942, Olock was stationed at Parris Island, North Carolina; Camp Pendleton, Oceanside, Calif.; and San Diego, Calif.

The invasion of Kwajalein with his unit was his first action overseas. A Purple Heart medal was sent to his parents following his death.

The son of the late John Olock, he is survived by his mother, Anna, and the following brothers and sisters: John, of Stowe; Andrew, of Pottstown; Michael, at home; Mary, wife of Robert Derosa, Brooklyn, N. Y.; Helen, wife of Charles Berger, Reading; Rosa, wife of Joseph Lipko, Pottstown; Margaret, wife of Joseph Costa, at home; and Christine, wife of Joseph Szalak, Chester.

Court to Investigate
Case of War Vet
Accused of Loitering

By Staff Correspondent

NORRISTOWN, Oct. 10.—A Stowe man who served as his own attorney when arraigned as probation violator before Judge Harold G. Knight today, was remanded to the county prison until Oct. 24 while the jurist makes a personal investigation of his case.

The prisoner, Stanley Drabinsky, a war veteran and father of five children, was arrested in Reading, Oct. 8 for "loitering," which, according to authorities, constitutes a violation of the three-year probationary period imposed by Judge Knight, Sept. 12, 1946, inasmuch as he had been drinking.

Striking the post of a learned counselor, Drabinsky today cross-examined a Reading policeman and Chief James A. Laughhead, of Pottstown, like an expert.

First, the Reading officer testified that Drabinsky was found sitting on a pair of steps on Penn street and his breath smelled of alcohol. He was hauled before a city alderman and given his choice of paying a \$100 fine or serving 90 days in jail.

Drabinsky branded the accusation that he had been drinking as a lie. He has not imbibed since he was placed on probation, he stated.

Next, Chief Laughhead, to whom the defendant was supposed to report regularly, testified that he had heard from him only about a half dozen times.

"Have you ever seen me drunk or have you ever heard of me strolling?" (Continued on Page Three)

League Aims to Enter Eisenhower In Wisconsin, New York Elections

NEW YORK, Oct. 10 (AP)—A national officer of the "Draft Eisenhower for President League" said today league members would enter the wartime supreme commander's name in Republican presidential primaries in Wisconsin, possibly in New York and Illinois.

Maurice Mumford, executive vice president of the league and president of the U. S. Supply company, made the statement at a news conference after issuing a league charter to a group of Eisenhower enthusiasts here.

Meanwhile, several other statements made by Mumford in which he named Alf Landon, Republican presidential candidate in 1936, Roy Roberts, president of the Kansas City Star, and Sen. Arthur Capper (R-Kan.), drew comments from all three men.

Mumford said the league had received a letter from Landon in which the former GOP standard bearer declared he had been asked not to "come out in the open" for Eisenhower. The letter did not say who had made the request, Mumford said. He added Landon might have received such a request either from Eisenhower or from Roberts.

Landon, reached at Topeka, Kas., said he had written the league a letter but denied he had said that he had been asked not to "come out in the open."

Mumford also said that Senator Capper had endorsed Eisenhower's candidacy and the aims of the league.

Capper replied that he had told the league in a letter he was "strong for Eisenhower for President," but had added he could not accept membership because of the general's publicly-expressed wishes.

Roberts told a newsmen in Kansas City that he did not know Mumford or Winston H. Thornburg, president of the New York branch of the league.

"Neither do I know anything about their movement or any other movement of that kind," Roberts said.

Chile May Expel Red Ambassador

SANTIAGO, Chile, Oct. 10 (AP)—The Socialist newspaper La Opinion said today that Soviet Ambassador Dimitri Zhukov might be asked to leave Chile because of alleged subversive Communist activities.

Zhukov disclosed today unidentified gunmen had fired on the apartment of a Russian attaché.

The Chilean government and Soviet embassy officials disclaimed knowledge of any proposal aimed at expelling the Russian ambassador.

Zhukov and the attaché told the foreign ministry that gunfire, which sounded as if it came from a machinegun, in a passing automobile, shattered glass windows in the attaché's second floor apartment early today.

Printers Demand Ouster of Denham As NLRB Counsel

SAN FRANCISCO, Oct. 10 (AP)—A resolution calling upon President Truman to recall Robert Denham, general counsel of the National Labor Relations Board, was introduced at the AFL convention today.

The resolution also demanded the replacement of Thomas Schroyer as legal counsel for the joint congressional committee on labor management relations.

Denounced Senator Ball (R-Minn.) as "a hateful enemy of organized labor."

"Condemned" the American Newspaper Publishers' association for its current legal action against the ITU under the Taft-Hartley law.

The resolution, to be acted upon next week by the delegates, is an outgrowth of the ANPA's suit filed in Cincinnati this week charging the typographical union with unfair labor practices in connection with the ITU's position on future contracts with publishers.

Denham, together with NLRB members J. Copeland Gray and former Senator Abe Murdock of Utah, are presidential interim appointees still subject to Senate confirmation.

The resolution charged Denham, "without benefit of proper procedure or legal hearing, expressed the opinion for the benefit of the press that the ITU policy, (on labor relations) did not comply with the Taft-Hartley law."

Senator Ball, it continued, assailed ITU policy as "thinly veiled closed shop camouflage," while the ANPA was accused of attempting "to add its coercion and pressure to the already vicious and ugly pattern of pressure accumulated to influence regional directors of the NLRB and the board itself."

The ITU smiled out Schroyer, joint committee counsel, for "volunteering" the same opinion as that expressed by Denham to a subsequent meeting of printing employers at French Lick, Ind.

Bavarian Hides; Fears Unfair Trial

MUNICH, Germany, Oct. 10 (AP)—Alfred Loritz, missing Bavarian politician, wrote letters to the press today saying he was hiding in Bavaria and would continue to elude government searchers "rather than face an unfair trial."

The federal government minister was banished from the presidency of his own economic reconstruction party by its members and subsequently jailed on black market charges. He escaped Oct. 4 from a clinic where he was being treated for a heart ailment.

Loritz said he wanted some authority to investigate his entire case, declaring "I cannot hope for a fair and just trial."

The federal minister of justice, Josef Müller, said he personally was investigating the case, but that he would not act until he received a personal appeal from the fugitive, rather than one made through newspapers.

Film Star Charges Male With Cruelty

LOS ANGELES, Oct. 10 (AP)—Movie Actress Anne Jeffreys today filed suit for divorce from the Army officer she married here in 1945, Maj. Joseph R. Serena. She alleged cruelty and asked restoration of her maiden name, Anne Jeffreys.

She was born in Goldsboro, N. C. Miss Jeffreys, a singer in numerous Western films, stated in her complaint that she and the youthful Major Serena separated six months after their marriage that they had no children, no community property and that she wanted no alimony.

The actress' attorney, J. Edgar Smith, said she was born in Goldsboro, N. C. to state emphatically that the Palestine government has no knowledge of such troop concentrations."

David Ben-Gurion, chairman of the Jewish agency, and other Palestine Jewish sources seemed little impressed or perturbed by the reports of troop movements.

Ben-Gurion said in Jerusalem such movements "would have no effect on us."

"Let them come if they want to," he said. "I believe we are ready."

Sources in Beirut said they were informed that Egyptian forces, largest in the Arab league, were preparing to move into the Sinai desert south of Palestine, and that Saudi Arabian cavalry was crossing into Egyptian territory at the invitation of the Egyptian government to participate in the cordon. Seven Saudi Arabian planes were said to have landed at Egyptian air bases.

Windows Are Broken In Jefferson School

The damage was on the west side of the building where ten panes of glass were broken. Kepner said he found a rock about eight inches in diameter lying on the floor. He said the stone was too heavy to have been thrown by a child.

Police were told by Kepner that he has had to replace an average of 25 panes a month. The glass is broken with stones and pellets from a rifle.

Kim Sigler, Governor of Michigan, told the publishers to "work tirelessly to cultivate a public demand that public officials be frank with the people."

The 53-year-old executive, speaking extemporaneously, declared, "The citizens of a country should be told all the facts, without fear or favor, that a misinformed or half-informed public doesn't go off half-cocked."

He told the PNPA, "There are atomic bombs in the world, and Heaven only knows what will happen when they hit atomic centers and cities."

"Don't you see what government and newspapers and all the rest of us have to do?" he asked. "It is the greatest responsibility we have ever faced."

John H. Biddle, publisher of the Huntington Daily News, who was elected PNPA president, urged the publishers to redouble their efforts "to see that a free press is, indeed, a bulwark of democracy."

Car Used by Gunmen Recovered by Police

NEWARK, Del., Oct. 10 (P)—Police here today recovered the automobile which they identified as the one used in the \$8700 robbery of the National Bank and Trust company of West Grove, Chester county, Pa., yesterday.

Chief of Police William H. Cunningham said the car had bullet holes in the right door and the ventilator glass had been shot out. The vehicle was found abandoned in Lewisville, Pa., 12 miles from here.

Cunningham said Pennsylvania police were notified and that a general alarm was sounded for a 20-year-old youth believed to have used the automobile.

3. Trans-Jordan, a key military factor in the seven-nation Arab move to encircle Palestine with armed forces, challenged Russia's stated reasons for keeping her out of the U. N. No immediate action was requested by Trans-Jordan in a telegram circulated in the U. N. assembly.

In the first reaction to Arab moves in the Middle East, the Palestine committee's chairman, Dr. Herbert V. Ewart of Australia, told newsmen here that, regardless of developments abroad he hoped the Palestine debate would continue "in an orderly way."

Guatemala's proposed "international military police corps" to assure order during the interim would be made up of contingents from countries outside the big five "in proportion to the total number of the armed forces of each country." The resolution said the contingents should be made up preferably of volunteers, but failing this should be composed of regulars.

Inspections Continue; Fire Protection at Hospital is Praised

Inspection of Pottstown buildings by Fire Chief Richard E. Lindauer and Fire Marshal Harold Wentzel was continued yesterday and it was pointed out by Lindauer that they will not cease with the passing of the observance of Fire Prevention week.

Pottstown hospital was visited yesterday. Lindauer and Wentzel were escorted around the building by Administrator A. C. Seavell. The inspectors reported that the hospital now is in the best condition they have ever seen it.

New training has been done, eliminating some possible fire hazards. New transformers have been installed. Fire resistant glass has been placed in the fire doors. Extinguishers were found to be filled and dated.

Printed instructions to hospital employees have been placed at prominent places. They instruct employees in the best methods of fighting fires and in protecting patients.

The Pottstown Shirt company's building at Cherry and Charlotte streets also was inspected. A modern fire tower for use by employees has been erected. The building is provided with a sprinkler system, but Lindauer said water buckets were found to be empty. Extinguishers were found to be okay, he said.

Conditions were found to be good at the plant of Mrs. Smith's Pic company. The plant is modern and conditions as regards protection against fire were approved.

Solemn Ceremony Marks Arrival of Pacific Dead

SAN FRANCISCO, Oct. 10 (P)—The nation brought home its first Pacific war dead today with sorrow and pride.

As the funeral ship Honda Knot, bearing the bodies of 3028 who fell in the Pacific war, reached San Francisco the United States paid its highest military salute and thousands lined the quay in mourning.

While the Presidio Sixth Army headquarters fired the 21-gun salute, the Navy John L. Sullivan told the hushed audience gathered on the Marina Green:

"Today, in sorrow and yet with pride, America remembers the mortal remains of those who fell in the hours and months of the war."

"Some of these men were ambushed at Pearl Harbor. Some died in the first counterattacks averaging that day of infamy. Wherever and whenever they fell they died to safeguard the destiny of man."

"Today they impose upon us, the living, the sacred trust of their final hours: their last thought, their common dream of the safety and welfare of America, and an enduring peace for the world."

Auto Is Damaged In Route 422 Crash

cluding a 190-year-old oak, escaped serious injury. The car struck another vehicle traveling ahead on Route 422, between Stone and Doyle streets.

State police of the West Reading barracks, who investigated, said George Goratas, 308 King street, was driving west when another west-bound car, driven by Charles W. Fitzgerald, of Palm, slowed down ahead. The left front fender of the Goratas machine struck the rear of the other car.

Another occupant of the Goratas car, Charles W. Rhoads, of 256 King street, received a minor arm injury, while Peter "Tinkie" Goratas, son of the driver, escaped injury, as did the baby's unborn child.

The fender of the Goratas auto was mashed back against the tree and the car was towed away for repairs. Trooper John Hahn investigated.

Isaac Koons, 56 Schwenkville, was treated in Montgomery hospital, Norristown, for bruises of the spine and chest sustained when struck by an automobile in front of his home at about 7:30 o'clock last night.

He was treated at the dispensary and then sent home, to return today for X-rays. The officer of the Collegeville sub-station, who investigated, was called on another case early this morning and did not report the name of the driver.

How the BENDIX washer saved a million wives

BIGGEST SAVING OF ALL is the work and time the Bendix automatic Washer saves you. All you do is put in the clothes, set the dial, add soap . . . and RELAX! All by itself the Bendix washes, triple rinses and damp-drys the clothes . . . then cleans itself and shuts off automatically. You don't even have to be there.

THRIFTY WITH HOT WATER, TOO!
The thriftiest way to get clothes cleanest is to tumble them hundreds of times in and out of a small amount of hot suds . . . then rinse them thoroughly. That's exactly what the Bendix does, all by itself.

KIND TO CLOTHING BUDGETS!
The Bendix "Tumble-Action" principle saves wear and tear on clothes. No agitator . . . no rub, scrub and twist . . . "Tumble-Action" is gentle action . . . safe with the daintiest fabrics.

SAVES: \$1,000,000 A MONTH!
Yes, the lucky owners of the million Bendix washers now in use are saving about \$1.00 a month each on laundry soap alone!

Half the spiritual difficulties that men and women suffer arise from a morbid state of health. — H. W. Beecher.

In Memory of a Hero

TODAY is Pulaski Day.
And Americans who require tangible proof of the contributions of Europeans to the United States will might consider Count Casimir Pulaski, who gave his life that this nation might be free.

The son of a Polish nobleman, Count Joseph Pulaski, was born in Podolia in 1748. In love with freedom and independence, he joined his father at an early age in the organization of the celebrated Confederation of Bar, in hostility to Russia, for the liberation of his country.

They enjoyed varied success in the military operations which followed and Pulaski ultimately became the commander in chief of the Polish patriot forces. Finally, the coalition of Russia, Austria, and Prussia completed the conquest of Poland and his father and brothers being killed, Pulaski was driven into exile in 1772.

He escaped with difficulty to Turkey and from there to France to join the Americans fighting for their independence. Bearing recommendations from Benjamin Franklin, he joined Washington in 1777, as a volunteer.

He so distinguished himself at the battle of Brandywine that Congress promoted him to chief of cavalry, with the rank of brigadier general. He then fought at Germantown and during the battles of the Winter of 1777-78.

Pulaski resigned his commission in 1778, five months after receiving it, and afterwards raised an independent mixed corps of cavalry and light infantry called the Pulaski Legion. With this corps, under General Lincoln, he rendered effectual service in the defense of Charleston in May, 1779. In an assault on the city during the siege of Savannah, he was mortally wounded and died on Oct. 11, 1779.

Gov. James H. Duff has asked Pennsylvania to set aside today as a day of honor to the memory of the great Polish patriot. It is fitting that his memory be revered, for he did much to help this great State.

Faithful October

OCTOBER is seldom, if ever, disappointing. You don't have to rely upon your memory or someone's account of the beauties of this month. Each year as autumn rolls around, there is October, packed with sunshine and color. It has piquant variations, of course. But the essentials are always present—mellow days, brisk nights, the entrancing gamut of mums and asters.

This year the green of Summer stayed longer than usual. Yet as soon as October was in the wind, the first blush of new color showed on the maple. Each morning it had spread. Birch and poplar found gold in their leaves. Suddenly the world was aflame. For days still to come the conflagration will grow.

An excellent place to watch the spectacle is across a lake to a wooded shore. There the foliage has a scalloped, billowing effect. Between the blue of the sky and the deeper blue of the water, the changing backdrop puts on an absorbing show. Every breeze, every mood of sun and clouds, every change of the hour has an effect upon the rich festoons.

Birds gather for the flight south—grackles, blackbirds, pine warblers, bluebirds. . . . Yet, as though mesmerized by the weather, flocks stay around for days, seemingly forgetting that they are all packed to go.

In the orchard, ruby apples gleam, the fullest crop in years. A graceful aroma is on the air, though to savor its essence follow the pickers to the cool cellar where they take the baskets. Inside, the fruit fragrance is as overpowering as the sunshine without. It's little use, however, getting started on the subject of October. A full accounting of the month's blessings can never be made. But high on the list put faithfulness.

Stassen Gets Shorts

HAROLD E. STASSEN lost his shorts two years ago but didn't tell anybody about it. Last week in Spokane, at a reception for the candidate for the Republican Presidential nomination at the airport, ex-Lieutenant Ted H. Galland shoved his way through the greeters, waving the drawers.
"Sir," said Galland, "I am returning your skivvies. You let them around the San Juan just before the Jam surrender."
Mr. Stassen smiled, accepted his shorts.

Let Preachers Pay to Park

To the Editor: What do the people of Pottstown think about giving the preachers free parking spaces? I think they should pay for parking just like we do. If we want to go to church and use our car, we must pay for parking — or else walk.

Councilman Peter J. Lawler said the preachers are even more important than the doctors. Let Mr. Lawler get a bad pain and see who he sends for first. I think it would be the doctor.

Please don't get me wrong, I am not against churches or preachers, but a preacher can't keep you from dying but many a doctor can, although we must pray as I think it helps a lot. Doctors cannot do it alone.

But when it comes to free parking, that is going too far. That is the preachers' work just like our men go to work. And if they use their cars to earn a living, they either must pay for parking or find another place. And if they are overtime they must pay a dollar fine.

Now do you think preachers are any better than the people who go to church? If the people would not go to church, how could the preachers preach? One is just as good as the other in a case like that.

This is supposed to be a free country so treat every person alike.

Plea for Fire Police

To the Editor: It is strange how people in Pottstown will sit down to write letters to The Mercury to tell the public what it should or should not do to support the town.

Let's take the members of the Pottstown school board. They are what you and I would consider as being 100 percent for Pottstown. But how about the football games for the past two Friday nights? Did you notice who the police were that were in charge? They were the guards from the Bethlehem Steel company plant headed by their chief, Robert Hoppe.

Neither Hoppe nor five of his men are taxpayers in this town. Besides, they have no right to tell anyone what or what not to do when they are off the Bethlehem Steel property.

Why do we have to go out of town to get men for any police duty when we have between 30 and 40 members of our own fire police? The fire police were good enough for the town during the war, and they did a good job at that time. Did Hoppe or his guards, whom you now see at the football games, help out then? Oh no, they were taking it easy over in Chester county. And the few that did help out had orders not to use the uniform permissible to use it at a football game.

When we have a fire in town, you will find the fire police there directing traffic and helping in every way possible — at no cost to anyone. You don't see the guards from Bethlehem Steel around to help out.

So I say wake up John Q. Public. When you have a few dollars to spend for protection, give it to your own fire police. They are just as experienced as these guards. If not more so. Besides, they are taxpayers of Pottstown and not of Chester county.

Suggestion for Bakers

To the Editor: If grain is to be saved, why don't the bakers make half loaves of bread for two-people families? And why don't they bake loaves without the end crusts on them? People just throw them away.

THE LIP OF TRUTH SHALL BE ESTABLISHED FOR EVER. BUT A LYING TONGUE IS BUT FOR A MOMENT.

Proverbs 12:19

YOU DO NOT HAVE THE COURAGE TO STAND BY THE TRUTH AS YOU SEE IT. WHATEVER THE COST TO YOURSELF WHEN YOU:

Close your ears against new truth which comes to prove the hearts of men. Are not constantly on your guard against false prophets.

Rush after every novelty that attacks our time-honored convictions. Wait to be backed by numbers.

Lack the integrity of an honest heart and mind.

Are given to loose breaking of promises and loose and superficial making of them.

Pretend to be better or more clever than you truly are.

Only half-heartedly seek after it. Are given to easy tolerance to things that are wrong.

Have a silence that is born of cowardice or indifference.

Are given to subterfuge and devious ways.

YOU ARE SINCERE AND TRANSPARENT OF PURPOSE AND INTENTION. CONCERNED ONLY FOR TRUTH WHEN YOU:

Realize "his truth alone that makes you free."

Desire truth in the inward parts. Are true with your tongue and hands. Can form just judgment and keep yourself free from the blinding influence of prejudice.

Realize the fewer the voices on the side of truth, the more distinct and strong must be your own.

Are in favor of the eternal forces of truth.

Have a deepened capacity for reverence. Refuse to live to be a lie. Believe that the confusions of life increasingly resolve themselves for those who are honest. Know that the way becomes more and more clear for those who are concerned only for the truth. Willingly consider views that are different from your own. Have a sense of the royalty of truth. Know that no question is ever settled until it is settled right. Realize truth crushed to earth will rise again.

WASHINGTON

Eisenhower Leans Toward Republicanism

By RAY TUCKER

WASHINGTON, Oct. 10—"Is General Eisenhower a Republican?" asks R.O.P. of Columbus, Ohio, as well as many other readers, doubtless due to frequent mention of the popular chief of staff as a prospective Republican presidential candidate in 1948.

Answer: Although few Regular Army men have close partisan ties, because of their constant shifting from one post to another and their fear that even a show of political interest will jeopardize their advancement, General Eisenhower comes from a long line of Republican ancestors, despite his Texas birth. His Kansas background also influenced him in that direction.

I do know that, when he was aide to the then chief of staff, Douglas A. MacArthur, he privately disliked and feared the more extravagant reforms of the original New Deal.

Like many others, he thought that it was based on an appeal to national weakness rather than strength. While he might not subscribe to the more extreme features of Herbert Hoover's "rugged individualism," he seems to believe that government should aid and encourage the individual, but not pamper him.

SERVICE: Here is the best summary available of General Eisenhower's attitude toward the movement to make him President Truman's opponent.

He has a deep interest in political questions in a broad sense. He has always been a student of social, economic and industrial problems, not only to supplement his military education, but because of an inherent interest in the civilian world, a curiosity few professional soldiers share.

He would not, however, seek office. In fact, he has told friends that he thinks he ought to rest on his military reputation and present popularity and not jeopardize it by getting into rough-and-tumble politics. He remembers the fate of U. S. Grant.

But if he found there was a widespread demand for him and if he got the nomination without striving for it, I am sure that he would accept. He would do so, I think, in the belief that he could be of further service to his country. That's the kind of man he is.

The Worry Clinic

By DR. GEORGE W. CRANE

A FEW years ago I remember seeing an excellent cartoon by Wortman, which I immediately clipped from the newspaper and placed in the lecture folder for my class in "The Psychology of Advertising and Selling."

Mr. Wortman depicted two young women standing in a movie lobby. They faced a large advertising sign describing the movie then on the screen. The sign contained such screaming superlatives as "Smash Hit . . . Marvelous . . . Colossal . . . Stupendous."

One girl then turned to the other and casually asked: "Have you heard whether it's any good?"

This cartoon typifies the excessive use of superlatives in the field of advertising. Such unwise procedure has not only developed a negative attitude on the part of customers.

But it has also added to the general sales resistance or disbelief on the part of the public. Glib sales speech and an undue use of such words as "acme," "quality," "service" and the usual list of superlative adjectives, put customers on their guard and actually reduce credulity or belief.

If you wish to waken a drunken man, which of the following methods will work most effectively: To shove him with your flat hand, or jab him with a needle?

You know the answer. The specific needle point will produce action better than the vague stimulus of a shove.

In advertising or public speaking, specific words will likewise produce action quicker than general terms. Which of the following two book titles do you think would sell the greater number of volumes: "The Art of Courtship" or "The Art of Kissing"?

"Kissing" is more specific. It sold 60,500 copies against 17,500.

When you enter a restaurant and reach the latter part of the meal, the waitress usually approaches and asks, "What'll you have for dessert?"

But you probably cannot answer, for "dessert" is too vague. It is a general or "generic" term. So you counter by trying to make the waitress employ more "specific" words, and thus inquire of her what's on the menu.

Even when she answers your query with "pie, cake and ice cream," you go further and ask, "What kind of pie do you have?"

"Apple custard, raisin, lemon meringue and blueberry," she may reply.

Then from this specific list of pies, you finally make your selection. You can inspect current advertising copy, even the hard-prod mediums, however, and often find this same lack of specificity.

Moreover, millions of dollars are wasted each year in advertising which is imperfect and psychologically unsuited to the habits of the prospective customers.

If you business men or ambitious young people desire further knowledge of the subject, send a 3-cent stamped envelope plus a dime, for my bulletin "The New Psychology of Advertising and Selling."

SHOCK KILLS—Shock of seeing the house in which he lived 52 years ravaged by fire three weeks ago hastened the death of Darius M. Drummheller, yesterday morning in the home of his son, Walter, 417 1/2 Beech street.

LIFE AND DEATH—Six minutes after Mrs. Annie H. Gauger, 521 Spruce street, 34-year-old mother of nine other children, gave birth to a daughter, she died. The infant was reported in apparent good health last night.

HOTEL WEDDING—Miss Sadie Quarter, Reading, and Samuel Ziegler, son of the late Mr. and Mrs. Nathan Ziegler, 430 South street, were united in marriage yesterday afternoon. The ceremony took place in the Hotel Commodore, Philadelphia.

VOICE OF BROADWAY

By DOROTHY KILGALLEN

Broadway Bulletin Board

SAM GOLDWYN JR.'s, intention to wait along the aisle with Karen Gaylord, one of the beautiful Goldwyn Girls, has Sam Sr. explosive. (Karen is one of the thirteenth of all showgirls, and the Hollywood gag is that the wealthy young Sam wants to marry her "for her money.") . . . Nancy Oakes de Marigny, central figure in the Nassau murder mystery, faces another operation in a Mexico City hospital. . . . The safe society clique hears that Harry Cushing 4th is flying in from Hollywood to discuss his marital woes with his family — after a squabble with his brand new bride, starlet Gerorgette Winsor.

Fan mail to movie stars has dropped off almost 50 percent, and the moguls are mystified. (Not to say worried) . . . Young actress Peggy Ann Garner and Joan Fontaine's stepson, Bob Dozier, are a junior romance item. . . . One of the town's better known night clubs, which shuttered for the Summer, is answering a lot of questions for Uncle Sam — chiefly about the \$20,000 in taxes which wasn't handed in.

Sid Caesar and Josh Shelley are set for "Make Mine Manhattan" . . . Couturiere Sophie's son, Jay Rossbach, is swooning over Marilyn Buford (the former Miss America) and vice versa. . . . The whole movie industry is watching with great interest Olivia de Havilland's forthcoming suit against her agents, Berg-Altenberg. If she wins, it will be as important to the film colony as her suit against Warner Brothers (also a matter of principle rather than money) several years ago. . . . Laura Leslie, the vocalist with Sammy Kaye's band, will murmur "I do" to a diamond mine owner. . . . There's a feature story in Nanette Fredericks, the ex-Billy Rose lovely, who will be New York's first "sandwich girl" — advertising Roger Steamers' 1-2-3 Club luncheons by strolling Madison avenue. She took the job to earn money for singing lessons.

Barney Josephson and Lena Horne have chatted. Barney thinks she's "ungrateful" for not returning to his Cafe Society for personal appearances. . . . Commissioner of Patents Casper Ooms will retire because of ill health. . . . Joan Barton, who is about to be seen in five new flickers, hints that she'll marry "Madman" Muntz one day now.

Jimmy Wakkers' former mansion in Greenwich Village has been purchased by a Broadway song writer. . . . The Metropolitan Opera and Billy LaScola are tangle over the rights to a tenor named Ramon Vinay just a few seasons ago he was a motion picture operator in Mexico. . . . The Sonny Wertheim are hula-dancing.

A once very famous Broadway playgirl (and showgirl and actress) has had all her jewelry copied in paste and has sold the real stuff, now that her star has dimmed and her bankroll flattened. . . . Carley Howard, the hairless member of the Three Stooges act, is out for some kind of record. He's getting married again.

Joan Davis has decided to trek to the altar with Danny Ellman, her friends say. He's a Chicago lumber mogul. . . . James C. Petrillo (that man again!) is all set for bed the making of any new phonograph records after January 1 as part of his battle against the disc jockers. All the major platter firms are having their artists make new records by the hundreds, to establish a backlog before the blow comes.

SUCCESS STORY — "Your handicaps can turn out to be your greatest blessing."

William C. Coleman, Wichita, Kansas, said when he visited Ralph Levitz, Pottstown merchant, the other day. Hundreds of Pottstown veterans today are thankful that he turned his handicap, poor eyesight, into a blessing. For Coleman is the inventor of the small gasoline stove that meant difference between cold C-rations and a hot meal when they were in the front lines. The stove was a direct outgrowth of the famous Coleman gas mantle lamp which he invented to provide enough light to enable him to read at night with his weak eyes. . . .

COLEMAN, who began his career as a high school teacher, always was interested in light. Because of weak eyes, he was unable to read by the light of the usual coal-oil lamps, and had to have his lessons read to him. He began to work on a pressurized gasoline lamp which would burn gasoline in mantles and provide better light. Finally successful, he borrowed \$1000 from his brother-in-law and went into business. "I started on a shoestring, and borrowed the shoestring at that," he laughed. Incidentally, he paid back the loan with \$1000 worth of stock which after 47 years, is worth \$30

Theodore McKeldin To Address Church Rally Day Service

The annual Rally Day service of Spring City Methodist Sunday school tomorrow afternoon at 2 o'clock will be amplified through a loud speaking system in the church. Considered a home-coming service as well as Rally day, many former members and others from distant points are expected to attend.

Theodore R. McKeldin, twice mayor of Baltimore, Md., and an outstanding Christian layman of that city, who is known throughout the eastern part of the United States for his fine message to Sunday school conventions and other religious gatherings, will be the speaker. He recently appeared at Ocean Grove, N. J., as the main speaker at a laymen's gathering. After the service tomorrow, he will return to Carroll county, Md., to address a home-coming service of a large church.

The Eddowes family, also widely known, will have charge of the instrumental music. Dr. Eddowes will direct the song service. Mrs. Eddowes will be at the console of the organ, and their daughter will be at the piano. Their son-in-law and daughter, with Mr. Eddowes, will play trumpets. Dr. Eddowes has charge of the music at Ocean Grove, N. J., and Mrs. Eddowes plays the organ, which is considered one of the largest and most powerful in the world.

The Carmel Presbyterian Youth choir, Glenside, will sing several selections. This choir comprises 35 well-trained voices.

Reformed Church Lists Harvest Home Service

Harvest Home will be observed tomorrow morning at 10:30 o'clock in Brownback's Evangelical and Reformed church. All church members wishing to contribute to the display of canned goods, fresh fruits and vegetables or flowers have been asked to have them at the church no later than this afternoon.

After church service tomorrow morning they will be taken to the Reformed Home for the Aged, Philadelphia. The Rev. Lloyd Sandt, pastor, will have charge of the service.

Driver Is Freed In Woman's Death

By Staff Correspondent
NORRISTOWN, Oct. 10 — A coroner's jury today returned a verdict which termed the death of Mrs. Ella E. Custer, 69, of 130 South Fifth avenue, Royersford, accidental.

The inquest was conducted before Coroner W. J. Rushong, and the jury's verdict exonerated Brian Joslyn, 18, of 124 North Fifth avenue, Collegeville, driver of a car which struck Mrs. Custer Sunday night, Aug. 17, at 9:15 o'clock.

It was testified there was a drizzling rain at the time and Mrs. Custer was carrying an umbrella.

She first noted the umbrella directly in front of her car. The accident occurred while Mrs. Custer was crossing Main street at Fifth avenue, Royersford.

Mrs. Custer died in Pottstown hospital Sept. 19, from a chronic heart condition and a fracture of the left leg.

Make Your Farm Produce More

Maintaining soil productivity is accomplished in many ways: by crop rotation, contour cultivation, strip-cropping, terracing, diversion ditches and proper fertilizing, according to the needs of individual farms.

If extra money will help you maintain the productivity of your farm and improve its fertility, we will welcome your application.

A SOUND FARM CONSERVATION PROGRAM

1. Make the most effective use of land.
2. Protect soil against erosion.
3. Increase crop yields.
4. Maintain soil productivity.
5. Prevent loss of soil moisture.
6. Operate equipment more efficiently.

High School Notes

The first of a series of... under the supervision of Marion H. Boyer... presented two plays in the high school's weekly assembly period yesterday in the school auditorium.

Characters in the first presentation, entitled "Boys Versus Secretaries," were: Marie Mohr, the first secretary; Miss Meigs; Forest Fryer, the office boy; Kenneth Nye, the boss; Mabel, the office clerk, played by Patsy Schultz; and Miss Wendell, the new secretary, portrayed by Dolores Zern.

The second drama was entitled "Hooks and Crooks." Participating were Paul Manwiler, as George, a contractor; Franklin Schaefer, a confidential clerk; as Stephen Jordan; Doris Herbst, as Elsie Duzek; a stenographer; and Naomi Wagner, a stenographer named Phyllis.

Between plays, Shirley G. Shirley Nester, and Marie Lenois, accompanied by Dolores Zern at the piano, sang "The Bells of Saint Mary's." Anna Remminger was the announcer.

Pauline Moyer won the Booster club's weekly slogan contest with a jingle about town's came with North Coventry. It was announced at a pep rally in the auditorium yesterday. She submitted the following:

Yesterday's pep assembly at 3 p. m. featured introduction of the "team" with girls of the Booster club dressed in the football suits of the team members and portraying the varsity squad.

The flag at the high school flew at half-staff yesterday in tribute to the return of the S war dead from overseas cemeteries.

Cement is being poured for the new addition to the farm shop building being erected to the rear of the main building. Boys of the Future Farmers of America are assisting.

Six local high school students participated on a panel discussion on school activities in West Reading High school yesterday afternoon.

They were Dolores Zern, who represented social affairs; Kenneth Nye, the school paper; Wanda Green, the yearbook; Barbara Keller, school photography; Doris Stahl, the Good Grooming club and Marguerite Leister, clubs.

Representatives of all Berks schools were invited to send delegates to the discussion.

It was on Good Friday night, 1865 that Abraham Lincoln was assassinated.

BEATRICE FAIRFAX'S

Advice to the Lovelorn

★ ★ ★
Serious Love Affair Not for Girl of 16

Dear Miss Fairfax:
I am a girl of 16 years of age and in love with a boy 17 years of age. I have gone with him before, then broke up. Then I started to go back with him this year again. But later, he hasn't shown up or hasn't called up.

I don't know whether this boy is in love with me. I sit and watch for him every night. Please, Miss Fairfax, will you give me some advice?

STOWE LONESOME

Dear Lonesome:
A girl of 16 is too young to be serious with boy friends. So you'll make your young life much happier if you forget about this boy and center your interests in other friends. This advice may be hard to take now when you've passed your teens, you'll appreciate the value of having been a good pal to the boys rather than having centered your life around one.

Perhaps this boy found himself becoming entangled in a serious affair and, as a result, decided to call a sudden end to it. You're too young to expect too much of him. Even though he, too, may have whispered sweet words of love in your ear, he's found you too glibly. If you keep boy friends at arm's length, you'll find their interest won't wane so soon.

Presbyterian Women Hold Circle Meetings

The Women's association circles of the First Presbyterian church met recently in members' homes.

Circle one met in the home of Mrs. Ruth McDevitt, 1137 Queen street. Devotions were led by Mrs. Irvin Swede. It was announced that the circle finished four bed jackets and these were donated to the Visiting Nurse association.

The group is also packing a box for a boy or girl abroad and same will be sent the World Council of Churches, Winston, Md.

Circle two met in the home of Mrs. Matilda McHenry, Nantmeal. Devotions were led by Mrs. Charles Lepper who also had charge of the program.

Mrs. Lepper told of the Bible sent by the Presbyterian church to the Empress of Japan in the spring of 1946.

This group is also packing a box for a boy or girl abroad.

Faith and Sight

We are awed by science! Our life saving sulfa drugs, penicillin, radar, the cataclysmic atom bomb, even our nylon hose, all are results of scientific research.

In laboratories all over our land scientists gaze through microscopes at tiny organisms too small for human sight and there find the basis for many gifts of health and countless comforts and conveniences for daily living. Through telescopes we may view the distant stars!

But there is a vast area of life above and beyond scientific sight. There are eternal values which cannot be seen with the physical eye—spiritual truths which must be accepted on faith. It is only by faith that we can be lead to a higher plane of spiritual reality.

Faith and sight are not opposed to each other. Rather does each complement the other and together they make an invaluable contribution to the well-rounded life.

The Church has the faith-finding instruments for our use. You and your children should worship there for greater vision.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a cornerstone of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend (1) For his own sake (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday and read your Bible daily.

WOULD YOU LIKE TO LIVE WITHOUT FEAR and WORRY?

WOULD YOU LIKE TO LIVE WITHOUT FEAR and WORRY?

Here's the Way to Have Peace!

THE PLAN OF SALVATION MADE PLAIN TO ALL FROM THE WORD OF GOD

What Must I Do to Be Saved?

What must I do to be saved? Here in the simplest, shortest form is put the question to which every man must learn the answer, or spend eternity lost, away from God, suffering the torments of the damned! Thank God, this question is asked and answered in the Word of God, so simply that every soul can understand it. There are other questions in God's Word which affect the soul's welfare, and many places in the Bible is the plan of salvation made plain, but only one place is this question given word for word, and there, too, we find the answer. Paul and Silas were in jail in the city of Philippi and at midnight they sang and prayed until God broke down all the doors and broke the stocks which held their feet, with a mighty earthquake. The poor jailer, frightened and convicted of his sins, came to these two preachers and asked this question. Read it in Acts 16:29-31.

"Then he called for a light, and sprang in, and came trembling, and fell down before Paul and Silas, And brought them out, and said, Sirs, what must I do to be saved? And they said, Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house."

"What must I do to be saved?" "Believe on the Lord Jesus Christ, and thou shalt be saved." There is God's plan of salvation, the only plan He has for every man, woman and child who was ever born into the whole world.

What Must I Do?

Sinner, there is something you must do if you would be saved. There was hope for this jailer because he saw himself a lost sinner and came trembling to inquire, "What must I do?" Reader, you are a sinner. The Word of God from beginning to end emphasizes that fact. In Isaiah 53:6 we learn:

"ALL we like sheep have gone astray; we have turned EVERY ONE to his own way; and the Lord hath laid on him the iniquity of us ALL."

We have all gone astray! The Lord is not content for sinners to be left believing themselves good. In Romans the third chapter, how positive, how certain is the Word of God that every man, woman, and child is a sinner!

"What then? are we better than they? NO, in no wise: for we have before proved both Jews and Gentiles, that they are ALL under sin; As it is written, There is NONE righteous, NO, NOT ONE: There is NONE that understandeth, there is NONE that seeketh after God. They are ALL gone out of the way, they are together become unprofitable; there is NONE that doeth good, NO, NOT ONE!"—Rom. 3:9-12.

In verses 22 and 23 it is stated again that "there is no difference: for all have sinned, and come short of the glory of God." That is the reason that Jesus said to Nicodemus in the third chapter of John, "Marvel not that I said unto thee, YE MUST BE BORN AGAIN." And a little later in the same chapter, verse 18, said that the man who has not believed in Jesus is already condemned.

Certainly these Scriptures must make it clear to every man who believes the Word of God that he is a sinner, and until he has believed in Christ and has been saved, he is a lost sinner and needs saving. The heart is wrong, and only God can make that right. Then if you want to be saved, you must admit in your own heart, "I am a sinner. I am lost and need to be saved." No one ever was saved without coming for salvation as a sinner.

Christ Died to Save Sinners—Not Good Men!

Oh, I beg you, see it today! You are a poor, lost sinner, a Hell-bound sinner! Your heart is black. You have hardened your heart, you have resisted the call of God, you have rejected Christ. However good you are in man's sight, you are a terrible sinner, and unless you turn to Christ you must spend eternity in Hell. A SINNER! That is what you are. Admit it in your own heart, confess it to God. You are a sinner and you need saving worse than you need anything else in the world.

If you have settled in your heart that matter, then you are ready to learn God's answer to your question, "What must I do to be saved?"

Believe On the Lord Jesus Christ

Here is God's simple way to be saved. You are a sinner, your heart is wrong, you cannot save yourself, you are already condemned. The thing you are to do then, to be saved, is to simply trust the Lord Jesus with that matter. When you do trust Him, then you have God's promise "thou shalt be saved."

I do not mean that you are simply to believe that there is a God or that there is a Saviour. Devils believe that and tremble (James 2:19). You can believe that a certain physician is a good doctor without calling him to be your doctor when you are sick. You can believe that a certain man is a good lawyer without taking him as your lawyer to defend your case. You are not just to believe the truth about Jesus, you are to believe on Him, that is, depend upon Him, risk Him, trust Him; and when you do, you are saved.

Not Saved by Good Works

Of course, you do not deserve salvation. There is nothing you can do that will make you worthy of it. You cannot be saved by keeping the ten commandments, for the Scripture clearly shows that you have not kept them. Romans 3:20 says:

"Therefore by the deeds of the law there shall no flesh be justified in his sight: for by the law is the knowledge of sin."

The same thing is told in Galatians 3:11 which says: "But that no man is justified by the law in the sight of God, it is evident: for, The just shall live by faith."

Many, many Scriptures repeat again and again that there is no salvation through human goodness.

"Not by works of righteousness which we have done, but according to His mercy He saved us, by the washing of regeneration, and renewing of the Holy Ghost."—Titus 3:5.

"FOR BY GRACE ARE YE SAVED THROUGH FAITH: AND THAT NOT OF YOURSELVES: IT IS THE GIFT OF GOD: NOT OF WORKS, LEST ANY MAN SHOULD BOAST."—Eph. 2:8-9.

We had as well admit then, that no man deserves saving and no man can save himself. Salvation must be free or the sinner could never get it. In fact, it takes blood to pay for sin, for the Scripture says:

Without Shedding of Blood Is No Remission

"For when we were yet without strength, in due time Christ died for the ungodly."—Rom. 5:6.

"All we like sheep have gone astray; we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all."—Isa. 53:6.

Peter tells us that all of us are bought by the blood of Christ:

"Forasmuch as ye know that ye were not redeemed with corruptible things, as silver and gold, from your vain conversation received by tradition from your fathers: But with the precious blood of Christ, as of a lamb without blemish and without spot."—I Peter 1:18-19.

Every lamb, bullock, heifer, goat, turtle dove and pigeon offered in the Old Testament times on the altar pictured this, that man, a guilty sinner, must have some innocent one to shed his blood to pay for man's sins. Jesus died for our sins, and, thank God, salvation is bought for every man in the world, if he will have it, as the free gift of God.

"For the wages of sin is death; but the GIFT of God is eternal life through Jesus Christ our Lord."—Rom. 6:23.

Dear sinner, remember, that church membership will not save you. If you have been baptized that cannot save you. Baptism does not save, does not keep anybody saved, it is only an act of duty for those who have already found Christ as their Saviour. A moral life or lodge membership or good citizenship, these must all fail to bring salvation, for it is "not by works of righteousness which we have done, but according to his mercy he saved us" (Titus 3:5). Don't depend, then, on what you do, but on what Jesus did and promises to do for you.

What About Repentance?

Does not the Bible say that we must repent? Yes, the Bible plainly says that "God . . . commandeth all men everywhere to repent" (Acts 17:30), and again, "Except ye repent, ye shall all likewise perish" (Luke 13:3, 5). This was the preaching of John the Baptist, of Jesus, of Peter and of Paul, that men should repent. And certainly repentance is God's plan of salvation. The trouble here, however, is that men misunderstand what repentance means, and there has grown up an idea that repentance means a period of weeping and mourning over sin, or sorrow for sins. This idea comes from the Douay Version of the Bible which instead of "repent" says "do penance." So the place of inquiry, where people should be taught the plan of salvation from the Bible, in revival meetings, became "the mourner's bench" and thousands of people have been taught that God would not hear their prayer nor forgive their sins until they went through a process of sorrow and mourning over their sins!

Do not misunderstand me. God is anxious for you to have a penitent, broken heart over your sins. You have gone away from God. You have trampled under foot the blood of Jesus Christ, wasted years of your life which you can never live over again. You have served your father the devil. There is plenty for you to weep over, and I am not surprised if you feel deep shame and sorrow in your heart that you have so mistreated the God who made you and the Saviour who died for you. I am not surprised if you cannot keep back the tears! But what I want you to know is that tears or no tears, however much sorrow you may have in your heart, or not have, those things do not save you.

You ought to be sorry for your sins and ashamed of them. "Godly sorrow worketh repentance" (II Corinthians 7:10)—the right kind of sorrow leads to immediate repentance, but mourning is not itself repentance.

"Could my tears forever flow,
Could my zeal no respite know,
These for sin could not atone,
Thou must save, and Thou alone."

To repent literally means to have a change of mind or spirit toward God and toward sin. It means to turn from your sins, earnestly, with all your heart, and trust in Jesus Christ to save you. You can see, then, how the man who believes in Christ repents and the man who repents believes in Christ. The jailer repented when he turned from sin to believe in the Lord Jesus Christ.

Instant Salvation!

The jailer did not go through a period of mourning. He was told to believe on the Lord Jesus Christ; he did just that and was saved, and his whole family was saved the same way, immediately, the same hour of the night. Everywhere you look through the New Testament you find that people were saved all at once without any process, without any period of mourning. Zachaeus, up a tree, trusted Jesus and made haste and came down, and received Him joyfully (Luke 19:6-9). Jesus said, "This day is salvation come to this house." When Peter told Cornelius and his assembled household that they could be saved by believing, immediately "while Peter yet spake these words," the Scripture says, the Holy Spirit came on them and they were happily saved (Acts 10:44-48). The thief on the cross, wicked sinner that he was, who a few minutes before had been railing at Jesus, was saved immediately when he inquired of Jesus (Luke 23:42-43). In the first chapter of John, verses 35 to 49, we see where Andrew, Simon Peter, Philip and Nathanael were all converted, one by one, immediately by faith in Christ. There is no record of any person in Bible times who was ever told to wait, or mourn, or weep over his sins before trusting Jesus and being saved! One who believes in Christ has repented. Repentance and faith are the same thing put in different words, and neither requires a long period of time, nor a process of mourning and sorrow.

Salvation is instantaneous. All that keeps you today from being saved is the wickedness of your heart that holds on to sin and will not turn to Jesus to trust in Him for salvation. I beg you, turn in shame and sorrow from your sins this minute, and trust in Christ and be saved!

Can One Be Saved Without Prayer?

In the Bible there are many cases of sinners who prayed like the thief on the cross or the publican in the temple. In fact, Romans 10:13 says:

"For whosoever shall call upon the name of the Lord, shall be saved."

Many people believe that a sinner cannot be saved without a period of prayer, without consciously calling on God. However, the Bible does not say that a sinner must pray in order to be saved. In fact, immediately following the verse in Romans 10:13 is an explanation which shows that calling on God is an evidence of faith in the heart and that it is really faith which settles the matter. Read it again.

"For whosoever shall call upon the name of the Lord shall be saved. Now then shall 'he', call on him in whom they have not believed?"—Rom. 10:13-14.

The Lord encourages the sinner to pray, and the Lord hears and answers the sinner's prayer, if that sinner trusts in Jesus Christ for salvation when he prays. He heard the prayer of the thief on the cross, and the publican in the temple of blind Bartimaeus. But the Scripture says, "Then shall they call on him in whom they have not believed?" Certainly every one who is to be saved must believe. Prayer is evidence of faith. No matter how long one prays, if he does not trust in Christ, he can never be saved. If he trusts in Christ without conscious prayer, then he is saved already. There is just one plan of salvation and just one step a sinner must take to secure it. That step is to believe on the Lord Jesus Christ!

Some way we preachers have left the impression on this poor world of sinners that God is hardhearted and that it takes many tears and loud cries and long periods of sorrow before He will hear and save the sinner. We have left the impression that God does not care whether sinners are saved or not, and that sinners must some way touch the heart of God and get Him ready to forgive. What a slender on a good and holy God who "so loved the world, that he gave his only begotten Son, that WHOSOEVER BELIEVETH in him should not perish, but have everlasting life." Man's sins are already paid for, God's wrath is already turned away from any sinner who wants to be saved. Both the Father and the Son are a million times more anxious to save every sinner than the sinner can be to get saved! Thank God, I do not have to beg God to forgive my sins. He will do it the minute I am willing to trust it with Him.

How to Get the Change of Heart

This simple way of being saved by faith seems so easy, and it is. Some sinner may say, "But I thought one must have a change of heart." So you must, dear sinner, but that is God's part. Jesus was talking to Nicodemus when He said, "Ye must be born again," and in the same chapter He tells Nicodemus how to get the new birth.

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."—John 3:16.

The change in your heart, sinner, is God's part and you may be sure He will attend to that. Your part is to simply believe in Him. Whatever else is necessary in your eternal salvation, the Lord attends to when you trust in Him, or believe in Him.

How Should I Feel?

Some people have an idea that the change of heart is a matter of feeling. Some do not want to claim Christ as Saviour until they have the mysterious feeling that they want. Do not let the devil deceive you here. I believe in heartfelt religion, and thank God for the joy which He gives to me day by day. But the Bible nowhere tells how one must feel before he is saved, nor does it anywhere say how you will feel after you are saved. In fact, people do not feel the same. Feeling varies with the person saved. Some cry when they are saved, some laugh, and a few shout aloud the praises of God. One is no more saved than the other. What you want, dear sinner, is salvation, and you should be satisfied to feel any way that will please the Lord, just so He forgives your sins.

Be sure you notice another fact, too, and that is that you cannot feel right until you get right. Rejoicing does not come before you trust the Lord. One does not feel the result of medicine before he takes it. The Children of Israel, in the wilderness, bitten by fiery serpents and at the point of death, were not healed and did not feel healed until they looked to the brass serpent on the pole (Numbers 21:6-9). People are not saved by feeling, they are saved by trusting in Christ. The prodigal son, away from home in the hopen, decided to arise and go to his father, but he did not feel good. He was without shoes, clothed in rags, without the ring of sonship, without any evidence of his father's forgiveness, perishing with hunger! Yet he arose and came to his father, not by feeling, but by faith in his father. Thank God, his father received him, like God receives every sinner who will come. And when the prodigal boy has sat down at his Father's table, with shoes of the gospel of peace, clothed in the garments of the righteousness of Christ, with the ring of sonship on his finger, eating the fattest calf at the right hand of the Father, happy in His love, then he has plenty of feeling. Feeling comes after salvation. Leave the feeling with the Lord and come to the Saviour by faith today.

After you are saved, you will get peace and joy out of following the Lord in baptism, reading His Word, winning souls and otherwise pleasing Him. You need to go to the Lord again and again day by day for the joy of a Christian life. But thank God that salvation is settled once and for all when you simply depend upon Christ as your Saviour.

What About Public Confession?

Every person who is saved ought to publicly confess Christ. Matthew 10:32 and Romans 10:9 plainly teach that God will claim as His child any of us who will claim Christ as our Saviour, but we simply confess with the mouth what we have already trusted in our hearts. Romans 10:10 concerning that very matter says:

"For with the heart man believeth unto righteousness: and with the mouth confession is made unto salvation."

To claim Christ as your Saviour simply proves that you trust Him in the heart. Likewise with all other promises in the Bible about how to be saved. "Him that cometh to me I will in no wise cast out," says John 6:37, and salvation is promised in John 1:12 to as many as receive Jesus. But you could not come to Christ without trusting Him, and John 1:12 shows that receiving Jesus is the same as believing on His name.

Dear sinner, do not make this a difficult matter. There is one simple step between you and Jesus. When you trust Him everything else is settled, and you have repented, you have come to Christ, you have received Him, you have done everything necessary to be saved. Take the answer in Acts 16:31 as face value: "BELIEVE ON THE LORD JESUS CHRIST, AND THOU SHALT BE SAVED!" All through the Bible in dozens of Scriptures, salvation is promised to those that believe. Read carefully the following Scriptures and see that again and again, many, many times, God has promised all any poor sinner would ever need when he believes on the Lord Jesus Christ.

"But as many as received him, to them gave he power to become the sons of God, even to them that BELIEVE on his name."—John 1:12.

"And as Moses lifted up the serpent in the

wilderness, even so must the Son of man be lifted up: that whosoever BELIEVETH in him should not perish, but have eternal life. For God-so loved the world, that he gave his only begotten Son, that whosoever BELIEVETH in him should not perish, but have everlasting life."—John 3:14-16.

"He that believeth on him is not condemned: but he that BELIEVETH not is condemned already, because he hath not BELIEVED in the name of the only begotten Son of God."—John 3:18.

"He that believeth on the Son hath everlasting life: and he that BELIEVETH not the Son shall not see life; but the wrath of God abideth on him."—John 3:36.

"Verily, verily, I say unto you, He that heareth my word, and BELIEVETH on him that sent me, hath everlasting life, and shall not come into condemnation; but is passed from death unto life."—John 5:24.

"And this is the will of him that sent me, that every one which seeth the Son, and BELIEVETH on him, may have everlasting life: and I will raise him up at the last day."—John 6:40.

"Verily, verily, I say unto you, He that BELIEVETH on me hath everlasting life."—John 6:47.

"To him give all the prophets witness, that that through his name whosoever BELIEVETH in him shall receive remission of sins."—Acts 10:43.

"And by him all that BELIEVE are justified from all things, from which ye could not be justified by the law of Moses."—Acts 13:39.

Read again the Scripture we started with:

"What must I do to be saved?" "BELIEVE on the Lord Jesus Christ, and thou shalt be saved."—Acts 16:30-31.

Trust Jesus, the Great Physician

If you were sick and about to die, and there was some good doctor whom you could trust, would you not risk him to take your case, give you the necessary treatment, and with God's help get you well? Then just like that, trust in Christ, depend on Him for your salvation, and turn it over to Him today. With the same kind of faith that will call in a doctor and risk him for your body, you can call in the Lord Jesus Christ and risk Him to forgive your sins and save your poor lost soul! He said, "They that are whole need not a physician, but they that are sick" (Luke 5:31). He is the Great Physician and will heal your soul instantly if you will trust Him. As you would trust a doctor, submit to his treatment, depend on him for results, so trust Jesus today about your soul. To be sure, human doctors fail many times, their results at best are gradual and so no doctor is a perfect picture of Jesus. The doctor can work no miracles, but Jesus can, and the change that is needed in that poor, wicked heart, He will make immediately, instantly without any further effort on your part, when you trust Him!

Jesus Is Our Lawyer

If you had committed a crime and were thrown in jail, probably the first thing you would do would be to send for some lawyer in whom you had confidence and trust him with the entire matter of your defense. In God's sight you are a criminal, condemned already and with the wrath of God upon you day by day. But God has provided somebody to take the part of us poor sinners, criminals before the bar of God's justice, and Jesus is that lawyer, for the Scripture says:

"If any man sin, we have an advocate (or lawyer) with the Father, Jesus Christ the righteous: and he is the propitiation for our sins: and not for our's only, but also for the sins of the whole world."—I John 2:1-2.

Jesus will not only be your lawyer to defend your case! He has already paid the penalty and you may safely trust Him to have you immediately pardoned and justified! Why not simply risk Jesus as you would risk a good lawyer? Jesus is better than any lawyer, of course, and you do not have to pay Him a fee, and He never fails.

A Wedding

A young man and young woman stand together, side by side, before the preacher. The preacher says, "You will join right hands." Then to the young man he says, "Do you take this young woman to be your lawfully wedded wife, to love her and cherish her until death do you part?" He answers, "I do." To the young woman the preacher says, "Do you take this man to be your lawfully wedded husband until death do you part?" She answers, "I do." Then the preacher says, "I pronounce you man and wife," and they are married in the sight of God and man. What a simple picture of salvation! Jesus is the Bridegroom and we who trust Him are to be His bride. Already Jesus has loved you and has long urged you to accept His love. Jesus invites you to accept His love. Jesus invites you to believe in Him right now and be saved and so become a part of His bride. Will you not right now with the same simple faith of that young woman who takes a husband, accept Jesus as your Saviour and say to Him, "I do?"

Make It Sure—Claim Him Today!

The way is plain and you can be saved this moment if you will.

Surely it has become plain, dear lost sinner, that it is your own fault if you are lost! Do you hate Jesus Christ? Will you hold on to your sin and go to Hell for your stubbornness? Nothing in the world could show your wickedness like postponing this matter. You can be saved right now, this minute. I beg you, do it now. Turn your whole heart from sin to trust in Christ. Choose for Heaven against Hell, choose for Christ against Satan. Do not let Satan deceive you any longer. If you delay, it may result in a hardened heart, a wasted life and a tortured soul in Hell! And if you are not saved, when God has made the way so plain and paid the price for your sins, then you have no one to blame but yourself. Will you trust Jesus Christ today and be saved?

"Blessed is the man that doeth this: that he shall not be perished, nor will he be brought into bondage."—Prov. 2:1-2.

"Behold, now is the accepted time; behold, now is the day of salvation."—II Cor. 6:2.

"Today, if ye will hear his voice, Harden not your hearts."—Heb. 3:7-8.

God has given you this heartbeat, this breath, this moment in order to trust Christ, but there is no promise of another. I beg you do it right now, and then claim Him as your Saviour.

10,000 Watch Norristown Overpower Trojans by 22-6

Fumbles and Poor Defense Against Passes Aid Eagles Howard Scores for Locals

By ELMER PANOC
(Mercury Sports Editor)

NORRISTOWN, Oct. 10.—The Eagles of Norristown High swooped down out of a star-studded sky, pierced the Trojan armor three times and then flew back to their nest with a 22-6 victory here tonight before a throng of 10,000 fans.

The Eagles, capitalizing on Trojan fumbles and a poor pass defense, scored twice in the second period and added another six-point drive in the third period while holding the visiting Pottstown High school men of Troy to a lone touchdown.

Norristown, fighting to avenge a 34-0 defeat handed them by the Trojans a year ago, got a break early in the first period which may have meant an entirely different ball game.

For the Eagles, it was their 28th victory in a series of 31 games. The Trojans have only won twice since the conquest since the start of the series back in 1933.

Pottstown, striving to show its followers the same type of football displayed on Pottstown's Franklin field the past week, came to within one point of the Eagles in the second period, but a fumble set up another Norristown touchdown and the Trojans never got close thereafter.

George Williams, lanky 6-foot, 1-inch fullback weighing 160 pounds, was a thorn in the Trojans' side during the entire ball game. The tall, hard-driving Negro hit the Trojan line for much yardage, passed for one touchdown and set up the other two with aerials.

The Trojans, Bobby Mauger and Tom Howard standouts on the defense, with Dan Ludwig also gaining the limelight. Mauger, only in his junior year at Pottstown High, handled the Trojan "T" nicely. On defense, the little quarterback was marvelous, constantly forcing runners and pass receivers out of bounds before they could break into the open.

The Trojan "brain" broke loose for good gains, passed for a nice total of yardage, got off a few good punts and started on defense.

After failing to net a first down in the first series of plays following the opening kickoff, the Eagles were forced to punt. The ball rolled out of bounds on the Trojan 35-yard line and immediately the visitors started to show their power.

Mauger netted 15 yards on the first play, and after Andes made three yards, Howard carried to the Norristown 34. Dan Ludwig went to the 14 before being stopped and Howard broke through to the six. Mauger handed the ball to Andes on the next play and the Trojan fullback went to the one before he lost his grip on the pigskin. A Norristown halfback fell on the ball in the end zone for an automatic touchdown and the Eagles took over possession of the ball on their own 20.

There was the first big break the Eagles received and only the prophet knows what might have happened thereafter if the Trojans had scored.

After an exchange of punts, the Trojans again took possession of the ball on their own 40 as the second period got underway. Dan Ludwig fumbled and the Eagles got their second break of the game when a white-shirted player fell on the pigskin.

Williams tossed to Joe Genuardi, Norristown halfback, who caught the floating ball on the 22 and Andes to the six before being brought to earth. Williams then crashed over tackle and scored standing up. Law added the extra point and the Trojans trailed, 7-0.

The Trojans received the kickoff and marched directly down the field for a six-pointer to come within one point of the Eagles.

Led by Howard and Stouch, the Trojans moved to the Norristown one-foot line where Howard climaxed the drive by scoring off tackle. John Snyder attempted conversion for the extra point but was blocked after a bad center wasted a few important moments.

Still in the same period, the Eagles recovered another Trojan fumble on the Pottstown 18-yard line and two plays later had another touchdown. Williams passed to Jack Daywalt on the one-yard line for a first down, and Williams took it over on a line buck. Law booted the ball perfectly for another point and the half ended shortly after with the Eagles out in front, 14-6.

Early in the third period, Mauger punted to the Norristown 10-yard stripe and the Eagles finally displayed some good football as they marched 90 yards for their third and final six-pointer of the evening. With Williams and Genuardi leading the way the Norristown combine moved to the Trojan 28 before Williams passed to Gene Coder. Coder took the pigskin on the 15 and scooted over the goal line standing up. Law's attempted conversion was low.

Late in the same period, the Trojans took possession of the ball on their own six-yard stripe following a Norristown punt. Mauger lateraled to Bobby Stouch, but the Trojan halfback was caught in the end zone for a safety and Norristown had two more points.

The fourth period found both teams staging small power drives between the two 40-yard lines with the finish coming after Howard had returned a Norristown punt some 12 yards.

The Eagles, running from a single wing and a double wing, were unable to gain much on the ground during the first half but were carried along by the throwing arm of George Williams. In the second half, the Eagles' ground attack was beginning to click, but it was still the aerial attack that doomed the visiting Trojan eleven.

For Norristown, tonight's victory was the third of the season as compared to one defeat and one tie. The Eagles have beaten Overbrook and Radnor while losing to Reading. Haverford tied the Norristown combine, 0-0.

The defeat for Pottstown brings the season's record to one victory and two defeats. The Trojans have lost to Upper Merion and have beaten Bristol, 40-0.

STYMIE TRIES TO OVERTAKE ARMED TODAY

Can Gain Top Spot In Earnings With Victory at Belmont

NEW YORK, Oct. 10 (P)—Stymie, pushed off the throne only yesterday as the turf's greatest money-winner, has a better than even chance to regain that distinction tomorrow in the \$100,000 New York handicap, co-feature of Belmont's closing program.

Only seven thoroughbreds were named for the two and a quarter mile marathon and even if the Hirsch Jacobs money winner does no better than third place he will zoom past Armed, current leader, in the dollar derby.

Stymie, who hasn't worked too well recently, was racing's most prosperous thoroughbred until yesterday with a bank-roll of \$754,710. Armed moved out in front with \$761,500 by taking first money in the \$25,000-added Synchrony.

Sharing the Belmont get-away program is the \$25,000 added Champagne stakes for two year olds with Ben F. Whitaker's My Request the early choice. The Champagne is over a mile.

Schwenkville High Plays Host to East Greenville Foe

Schwenkville High's Bluebirds, making their first home appearance of the year, play host to East Greenville High school this afternoon in a game scheduled to get underway at 2:15 o'clock.

The Bluebirds in their only time out this fall, dropped a 52-0 decision to Spring City High on the Pirates' gridiron. The Greenies dropped their first two games but came back strong the past week to hand Collegeville a 19-0 defeat.

FALCONS SEEK FIRST VICTORY AT HOME TODAY

Meet Marple-Newtown At 2:15 o'Clock; Gohean Names Same Lineup

Coach Bill Gohean makes his official home debut at West Pottsgrove this afternoon when he leads his Falcons onto the field against Marple-Newtown High. The kickoff of this contest is scheduled for 2:15 o'clock.

The Falcons, after losing its first two games away from home, will be playing on their new field today and will be looking for victory number one.

Gohean introduced the "T" formation to West Pottsgrove gridders this fall and the boys are just beginning to get the feel of things. Ralph Basile, starting quarterback, has the job of handling the "T" and will be at his regular position this afternoon despite a broken finger.

Marple-Newtown brings to West Pottsgrove this afternoon a veteran team with a lot of experience. The visitors handed a strong North Coventry eleven a 27-7 setback the past week and will be seeking its second consecutive victory.

The Norco lineup has again been shifted around by Paolantonio and the new Wildcat mentor hopes he will be able to get better results. Ralph Riech, the lad who was shifted to the fullback post the past week, will be back at his left end position. Wayne Mourar is back at left guard.

The Boyertown lineup will be the same as the one that started the West Reading tilt the past week. Some of the lads suffered minor bruises but Coach Bob Fleming announced last night that the lineup will be the same.

UPPER MERION SET FOR BATTLE WITH PIRATES

Spring City Gridders Get Real Test: Spartans Seek Third Victory

Spring City High school Pirates will try this afternoon to accomplish what Pottstown and Downingtown high schools failed to do—defeat Upper Merion Spartans.

This real test for the boys coached by Gene Groff of Spring City high will be staged on Upper Merion's own field at 2:15 p. m. Both elevens were reported in good physical trim and the game was heralded as an evenly-matched affair. The Pirates, however, will be spotting the Spartans two regulars, with Carl DeWalt and Bob McKissic still on the sidelines with injuries.

Both seeking their third consecutive victories, the contenders will give their all this afternoon. Upper Merion suffered only one setback, its opening loss to Ambler, but it turned around and trounced Pottstown 25 to 7, and Downingtown 20-6.

Golden Cub Gridders Record Second Straight Victory as Coatesville Loses by 20-0

Two Negro backs, one no larger than a dime and the other a hard-hitting jumbo sized silver dollar, led Coach Gene Kauler's Pottstown Junior High school to its second straight win, a 20-0 decision over Coatesville yesterday afternoon.

A crowd of some 300 persons sat in on the festivities and saw pint-sized Al Walton and Paul Green, giant fullback, lead the powerful Golden Cub combine to an easy one-sided triumph.

It was big Green, a constant thorn in the side of Coatesville, who broke into the scoring column some four minutes after the opening whistle when he zoomed through a hole on the right side and went 11 yards for the TD culminating a 60 yard drive which culminated in a six-point placement and it was 7-0 midway through the initial stanza.

Coatesville's single wing offense bogged down from the outset and the Kaulerites swarmed in for what proved to be the back breaker with about two minutes remaining in the first quarter.

With the ball on the Pottstown 49, Walton was caught in motion moving the pigskin back to the 44 and on the very next play, the streaked down the field for a touchdown with automatic Green adding the second extra point and at the end of the first period, the Cubs held a substantial, 14-0 advantage.

The second period was a scoreless affair with the Cubs in possession of the ball throughout most of the quarter. The half ended with Pottstown driving, toward pay dirt but the clock beat the ball as the final play finished up on the two yard line.

Walton accounted for the final score of the day midway through the third period when he booted 23 yards for the tally. Green's attempted pass for the extra point was batted down and the locals held a 20-0 lead.

The Cubmen allowed several other scoring opportunities to slip from their grasp when on one occasion, Green fumbled on

the one foot line and Coatesville recovered.

Dave Morris, Pottstown right tackle, was a bulwark on defense for the Cubs and it was he who broke up many enemy plays throughout the tenure of the contest.

In recording their second decision of the infant campaign, Kauler's charges boosted their points scored to 46 as against none for the opposition. The Junior High gridders took the opener from Phenixville the past week, 35-0.

In two games, the Cubs have not been agreed to punt once, which was a blessing yesterday for their kicker, Jack Nash, was injured running the ball early in the game and would not have been available for the punting duties. Lineups:

Haverford School Invades Dell Field Today to Meet The Hill School Gridders

\$5800 COLLECTED BY EACH YANKEE FROM SERIES POT

CINCINNATI, Oct. 10 (AP)—Each New York Yankee regular will get \$5800 from the \$1,781,348.92 taken in at the World Series which ended last Monday, and each Brooklyn Dodger will collect \$4000. It was learned today as official figures were announced by Walter Mulbry, secretary-treasurer of baseball.

The baseball players pension fund will be increased by \$175,000, the amount received for the broadcasting rights.

The World Champion New Yorkers voted to divide their \$297,343.42 of the take into 34 full shares and one three-quarter share. It was not learned who would get the three-quarters or what disposition of the quarter share would be made.

The defeated Dodgers voted to split their \$138,238.95 purse into 32 full shares, and two half-shares.

While the winnings per player were not the greatest in World Series history, they were far better than the \$3742 each St. Louis Cardinal received as a member of the title winning club in 1946 and the \$2140 each Boston Red Sox got out of that Series.

Twin-Boro AA Plays Host to North Phillies

The undefeated Twin-Boro AA football eleven will tackle another Philadelphia club at Lake View Memorial park, Rogersford, tomorrow afternoon at 2:15 o'clock.

Opponents this time will be the strong North Phillies, whose line averages 192 pounds. The backfield, though light, is reputed to be very fast.

The Twin-Boro gridders now have four consecutive victories to their credit, in the order named: Gabelsville, 3 to 0; Woodbury Steelers, 15-0; Atlas AC, 32 to 0, and Clearview Collegians, 25-0.

GABELSVILLE LOOKS FOR 3D LEAGUE VICTORY

Gaenzel Green Jackets
 To Furnish Opposition
 For Owls Tomorrow

After battling to a 0-0 deadlock with the Franklin AC the past week, the Gabelsville Owls will try to get back on the victory trail tomorrow when they meet the Gaenzel Green Jackets on the Gabelsville Community Athletic field. The kickoff of tomorrow's contest is scheduled for 2:15 o'clock.

The Owls sport a record of two wins and no losses in the Greater Reading Football conference and will be looking for victory No. 3 tomorrow. The Owls defeated the East Eagles and the Reading Collegians before tying the Franklin combine.

After failing to push the pigskin over the goal line in their past game, the Owls brushed up their offensive attack during the past week. Coach Howard Stauffer revealed last night that he would use the same eleven boys who started the Franklin game in tomorrow's contest.

Ricketts will be at left end and Sam Garber will be at right tackle. The left guard will be Ed Kupeski and Joe Chrusen is Stauffer's choice for center. Bill Phillips will start at right guard and Rudy Belsley will be at right tackle. Bill Smith will be at right end.

In the backfield, Joe Klapotky will start at quarterback and Jim Howard and Clarence Beasley will be the halfbacks. Charley Wiley will start the game at fullback.

Reports Say Greenberg Trying to Buy Tribe

ROCHESTER, N. Y., Oct. 10 (AP)—Hank Greenberg, who has obtained a release from the Pittsburgh Pirates, is reported negotiating for purchase of the Cleveland Indians. Matt Jackson, sports editor of the Rochester Times-Union, said today.

Quoting what he described as a "very reliable source," Jackson said that Bill Veeck, Cleveland president, and Greenberg held a "couple of meetings at the World Series," and Greenberg is "rumored ready to buy the Cleveland Indians."

Dea for Stowe Man Wins Probation in Traffic Crash Case

By Staff Correspondent
NORRISTOWN, Oct. 10.—A 25-year-old Stowe resident was the recipient of an unusual break today when he appeared before Judge George C. Corson to plead guilty to charges to failing to identify himself and render assistance at the scene of an accident.

Andy Ellis, 17 West High street, Stowe, was given a suspended sentence and placed on probation for six months.

Judge Corson remarked that by imposing such a sentence and not placing any costs on the defendant he was taking an unusual step but he was doing it because Ellis did seem penitent and sorry for what had happened. Ellis also had been in the county prison since his arrest on the morning of Sept. 26.

Attorney William O'Donnell pleaded for leniency because of Ellis' attitude and the fact he was married and the father of a baby daughter.

State Policeman Vincent McGlone testified that Ellis was driving a former Merchant Marine and a soldier from Stowe to Phoenixville about 3 o'clock on the morning in question and that his car left the roadway and crashed against a tree along Ridge pike at Sanator.

One of the passengers was thrown out and the other man got out of the car to take care of his friend. Ellis, who was accompanied by his wife, then drove off.

The two men were taken to Memorial hospital in Pottstown by passing motorists and kept for observation.

Ellis said he dozed off while driving. After the accident, he testified, he was so excited he didn't know what he was doing.

Model Airplane Club Plans Public Showing

Pottstown Model Airplane club made plans for putting its work before the public at its meeting Thursday night in the Pratt Bicycle shop on High street.

The members decided to enter the Hobby show to be held in Grace Lutheran church Oct. 21 and to prepare a window display in a Pottstown store of models in various stages of assembly.

Membership cards and letterheads bearing a symbol of the club's nickname, "Straw Benders," will be made after the club approves a design at next week's meeting.

Two new members were accepted at the meeting, Robert Kurtz and Frank Sentz.

Abraham Lincoln was a captain in the Black Hawk war in 1832.

Obituaries

JOHN BOWER FRY, 77, of 525 CHESTNUT STREET, a grand father to 20 and a great-grandfather to 26 Pottstown area residents died yesterday morning at 10:15 o'clock in Pottstown hospital of a heart condition.

He had been taken there about a month ago for a kidney operation and after the operation a chronic heart condition caused the fatal attack.

A native of East Vincent township Chester county he had been a general farmer there until he moved to Pottstown 23 years ago. He lived with his wife, Emma (Hugues) Fry, at 608 Beech street until her death in 1942. He then moved to the home of his son, Samuel J. Fry, 525 Chestnut Street.

In addition to his son, he is survived by three daughters: Clara, wife of Oscar Miller, Spring City; Blanche E. wife of Donald Miller, 456 High street, and Mirtle I. wife of Charles Whistler, 657 Chestnut street.

Also surviving are a sister, Mrs. Mary Overdorf Spring RD 1, the 20 grandchildren, 26 great-grandchildren and one great-great-grandchild.

Funeral services will be held Tuesday afternoon at 2 o'clock from a funeral home at 112 North Washington street. Officiating will be the Rev. Luther A. Krouse, pastor of Emmanuel Lutheran church. Interment will be made in Mt. Zion cemetery.

Supervisor Leaves Pottstown Hospital

Miss June Van Horn, night supervisor of the Pottstown hospital since July, 1946, resigned her post effective yesterday, the hospital announced.

She will be succeeded by Miss Doris Erb, a member of the 1947 class of the Pottstown hospital School of Nursing.

After a vacation of three weeks, Miss Van Horn, the daughter of Mr. and Mrs. Byron S. Van Horn, 857 North Evans street, will take the position of office nurse for Dr. David F. Hottenstein, of Bally.

The former supervisor was graduated from the Pottstown hospital School of Nursing in September, 1946, and began her duties as night supervisor in October, 1946.

Her successor, a native of Fryburg, Pa., worked in the office of Dr. Leon Wauman for three years before enrolling in the hospital's School of Nursing.

Miss Mae Wilhelm, who will be the assistant night supervisor, was a fellow graduate with Miss Erb. She was born in Railroad, Pa. and after working one year as a clerk at the Jacobs Aircraft corporation she was enrolled in the Pottstown hospital School of Nursing.
